Hello Ramcito,

Thank you for your message.

I will try to help you to create a wallet app.

Could you please share with me your full app requirements?

Looking forward to hearing from you.

Okay, I understand.

Do have any UI/UX design for your project?

Also do you have any API's for this application?

Please, let me know.

I am sorry for the delay response.

Its late night here.

I am not at the office now.

Tomorrow morning after team discussion, I will inform you as soon as i can.

Me Mar 29, 2024, 5:58 AM

Dear Ramcito,

Thank you so much for giving me flexible time to check your requirements.

As I work as a team, I gather all your provided info, I'll have a team meeting within next 2 hours, after that I'll send you a quotation with price and timeline.

I'm checking the codecanyon files and requirements.

Please give me a couple of hours more.

Thank you so much.
